Dear Parents/Guardians:

Re: Bus Cancellations

As you are aware, the pandemic, has resulted in the cancellation of buses due to driver isolation requirements and driver shortages in the industry in general. Although the board is consistently working with the consortium and parents around transportation issues, these cancellations are unfortunately unavoidable at this time.

We are writing to remind parents/guardians to take note of their child's bus numbers, both morning and afternoon (including any transfer bus numbers) as they are often different, and to look on the website www.businfo.ca or at Twitter ([@bus_info1](https://twitter.com/@bus_info1)) or Facebook ([Sudbury Student Services Consortium](https://www.facebook.com/SudburyStudentServicesConsortium)) every morning to see if one or both of your child's bus numbers have been canceled. This may mean that the morning run will operate but not the afternoon run, resulting in the need to pick up your child at school. Please note that there will not be individual call outs or emails to parents to inform you of canceled runs. Cancellations for the day are posted no later than 6:30 am every morning.

We thank you for your continued support and understanding during these very challenging times.

Sincerely,

Cheryl Ann Corallo
